

KATHLEEN YU

Vice-Chair

Ms. Kathleen Yu is a Chartered Psychologist with the British Psychological Society (BPS) and a Registered Industrial-Organizational Psychologist with the Hong Kong Psychological Society (HKPS), obtaining an MPhil in I-O Psychology from the Chinese University of Hong Kong. She specialises in the areas of talent / leadership assessment & development, assessment & development centres, competency model development, and psychometric assessment & feedback.

Kathleen is committed to contributing to the professional I-O Psychology community. She has been serving on the EXCO of the DIOP: she was the Chair of DIOP in 2017-2019 and is currently the Vice Chair of DIOP. She is also currently serving on the Advisory Board of the Lingnan University's Master of Science in Work and Organisational Psychology Programme.

Kathleen is currently the Head of Assessment at Jardine Matheson, overseeing the talent assessment process at the group level. Prior to joining Jardine Matheson, Kathleen had over 12 years of experience working as a consultant at Human Scope Limited and working with different client organisations to support the development of their talents. She took a lead role in designing, implementing and project-managing talent / leadership assessment and development processes for clients across a wide range of industries and sectors.
