

MICKEY FUNG

Committee Member

Ms. Mickey Fung is a Registered Industrial-Organizational Psychologist (RIOP) and an experienced talent management practitioner specialising in talent assessment & development, succession planning, talent management system & analytics, and graduate recruitment (HK & Mainland China).

With over 12 years of talent management experience, Mickey has managed and contributed to numerous talent initiatives, such as review of competency model, talent management strategy and corporate leadership pipeline, implementation of annual corporate succession planning cycle, identification and development high-potential talents from executive managers to graduate levels, \design and implementation of talent management systems and analytics, and execution of graduate recruitment and overseas internship programme etc. As an in-house talent management expert, she works closely with external consultants and provides advice to business managers with corporate-wide considerations (i.e. policy compliance & internal controls, budgeting, tender & contract) to ensure smooth running of projects and alignment with business priorities.

Mickey holds a Master Degree in Occupational Psychology from Birkbeck College, University of London, a Bachelor degree in Psychology from the Chinese University of Hong Kong (CUHK), as well as an Advanced Professional Diploma in Human Resource Management from CUHK School of Continuing and Professional Studies. Mickey has been serving the DIOP Executive Committee since 2014 as General Secretary and representative in the HKPS membership committee. She is currently the DIOP representative in HKPS Registration Board.
